

Customer Service

Customer service assists customers with routine service requests (account activation/deactivation, over usage concerns and leak detection). These services are performed at the customer's scheduled convenience.

- Scheduling should occur during normal working hours of 8:00 a.m. to 4:00 p.m. Monday through Friday.
- New customers must complete and return the Application for Water Service form below to our office by mail, email or fax.
- There is a \$25.00 fee for new account activation.

If you need an application for water service, contact Village Hall
