

Water Quality

The Village of Golf produces an Annual Water Quality Report. Our goal is and always has been, to provide to you a safe and dependable supply of drinking water.

The Water Utility Facility consists of three wells, two storage tanks and a state of the art Nano filtration water treatment plant. The Village's distribution area exceeds 2000 residential and commercial accounts. Utilities not only provides service to the Village of Golf but also the following subdivisions: Quail Ridge South, Delray Dunes, Indian Hills, half of Indian Springs, Brookside and the Village Square Shopping Plaza.
