

## About Us

The Village of Golf was incorporated in 1957 and operates under a Council/Manager form of government. Current members of the Village Council have a strong commitment to good government, transparency in government, and encourage input in the governing process.

Eleven employees maintain services within the Village, which operates within an all-funds annual budget of approximately \$3 million. Security is contracted with G4S, Fire and EMS services are contracted with the City of Boynton Beach.
