

The Village of Golf administration oversees the daily municipal operations of the Village government. This includes the Village's water plant, village public safety, and the oversight and implementation of all Village ordinances, zoning codes, and Village Council support services.

Administrative Staff provides free notary service to residents. Please stop by anytime during regular business hours. There is also a United States Postal facility located inside Village Hall. Residents are invited to purchase stamps, collect their mail, and receive other related services inside Village Hall.

Every person conducting any business, profession, or occupation within the Village shall have a business tax receipt /registration decal and pay the business tax/fee. Click [HERE](#) for more information.
